Lasting Impressions. Making Literature Matter " by John Schilb and John Clifford, there is a brief biography of Roethke ' s life where it explains that his father has influenced much of his work. This shows that whatever went on at home when Roethke was young gave him a lasting impression all through his life. In his poem " My Papa ' s Waltz " he makes his father the main character but at the same time he explains what was going in his head as his father was putting him off to bed.

This new edition has been revised throughout, and adds several sections, including: lean manufacturing and design for the environment, low impact development and green infrastructure, green science and engineering, and sustainability. It presents strategies to reduce waste from the source of materials development through to recycling, and examines the basic concepts of the physical, chemical, and biological properties of different pollutants. It includes case studies from several industries, such as pharmaceuticals, pesticides, metals, electronics, petrochemicals, refineries, and more. It also addresses the economic considerations for each pollution prevention approach.

Written by a veteran police officer turned college professor, this modern-day study of American policing covers hot-button issues including police use of deadly force against and bias toward minorities. • Takes a multidisciplinary approach to the problem, covering police psychology, behavior, policy, and law • Addresses the proliferation of violence in minority communities • Examines the response of minority communities to police brutality and the shooting of unarmed Black men, in addition to the psychology of oppression within those communities • Illustrates signs that a police agency is faltering, how a community becomes disenfranchised from police and the consequences for law enforcement efforts, and quality assurance measures that could reduce or remove the problems

In this case study book we present real teaching cases in branding and marketing which are suitable for Bachelor and Master Programs in International and Strategic Management. Case study learning and teaching offers students and lecturers a great opportunity for class discussions on prevailing topics. Case studies can be used for individual and group work. The structure of the cases allows lecturers to use it in different contexts regarding exercises and educational objectives. Case teaching provides an interactive and challenging environment, involving diverse perspectives and complex interdependencies that trigger thoughts and discussions about practical business challenges.

A timely book on a topic that has witnessed a surge of interestover the last decade, owing in part to several novel applications,most notably in data compression and computational molecularbiology. It describes methods employed in average case analysis ofalgorithms, combining both analytical and probabilistic tools in asingle volume. \* Tools are illustrated through problems on words with applicationsto molecular biology, data compression, security, and patternmatching. \*

Includes chapters on algorithms and data structures on words,probabilistic and analytical models, inclusion-exclusionprinciples, first and second moment methods, subadditive ergodictheorem and large deviations, elements of information theory,generating functions, complex asymptotic methods, Mellin transformand its applications, and analytic poissonization anddepoissonization. \* Written by an established researcher with a strong internationalreputation in the field.

As you sit at your desk behind the door ominously marked "Principal's Office," you are suddenly struck with a feeling of terror; what have you gotten yourself into? Being a principal is a difficult job filled with great responsibility and stress. Before you panic, you should know that most principals survive the first year. However, *Your First Year as a Principal* will help make the first year easier, providing you with all the information you did not learn in school. With the help of this extensively researched book, first-year principals will learn how to step out from behind the previous principal's shadow, how to make changes without changing too much too soon, and how to deal with teachers, parents, and students. You will also learn how to handle the stresses of the job, how to find a mentor, and how to plan for public relations. You will learn about the common mistakes first-year principals make and how to avoid them. You will learn about all of the duties that fall on your shoulders and how to handle that responsibility. You will also learn how to build strong relationships with teachers and staff, how to pick your battles, how to handle bullying in your school, how to boost staff morale, how to discipline students, and how to deal with conflicts. Ultimately, you will clearly understand what comes with being a principal. You will be able to clarify and define your roles, expectations, and responsibilities. Novice and veteran principals alike, who have all previously been in your position, offer their advice and tips on surviving your first year and excelling beyond. Also included are from-the-headlines blurbs to help you handle recent education policy changes. Whether you are the principal of a small, large, public, private, charter, urban, rural, or suburban school, *Your First Year as a Principal* will be an indispensable companion. With the help of this book, not only will you survive, you will also enthusiastically look forward to your sophomore year. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida.
