The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this "magnificent, sprawling cosmic epic" (Guardian) by Alan Moore—the genre-defying, "groundbreaking, hairy genius of our generation" (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake's eternal holy city in "Moore's apotheosis, a fourth-dimensional symphony" (Entertainment Weekly). This "brilliant . . . monumentally ambitious" tale from the gutter is "a massive literary achievement for our time—and maybe for all times simultaneously" (Washington Post).

This epic poem recounts the history of same-sex love, revealing a hidden side of Western culture through the lives of its greatest artists. Sappho, Michelangelo, Shakespeare, Emily Dickinson, Oscar Wilde, and many others are woven into this rich, visceral piece. Originally written fourteen years ago, The Mirror of Love sprang from Moore's activist heart as a reaction to Britain's controversial anti-gay law, Clause 28. In the past, Mirror has been translated into both a comic book and a stage production, but Top Shelf presents it as it was meant to be, a hardcover book illustrated with over forty full-color photographs from acclaimed artist Jose Villarrubia. Included in the 128-page special edition is an essay about the poem and its previous incarnations, an index of characters and places, a selection of classic poems quoted in the text, and a bibliography.
