## Stardom In Hong Kong

During the mid-1950s, when Hollywood found itself struggling to compete within an expanding entertainment media landscape, certain producers and studios saw an opportunity in making films that showcased performances by rock 'n' roll stars. Rock stars eventually found

# Online Library Multimedia Stardom In Hong Kong

cinema to be a useful space to extend their creative practices, and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties. Indeed, casting rock stars for film provided a tool for bridging new
