Whether you're concerned about color correction and clarity or just want a cool calendar of your kids for the wall, you'lll learn how to do it with this book!

A new epic fantasy trilogy about a young nation at odds with with the ancient forces that have begun to stir as fortune seekers and sorcerers flock to the frontier. Set in of Brian McClellan's Powder Mage trilogy. A world on the cusp of a new age... The young nation of Fatraستا is a turbulent place -- a frontier destination for criminals, fortune-hunters, brave settlers, and sorcerers seeking relics of the past. Only the iron will of the lady chancellor and her secret police holds the capital city of Landfall together against the unrest of an oppressed population and the machinations of powerful empires. Sedition is a dangerous word... The insurrection that threatens Landfall must be purged with guile and force, a task which falls on the shoulders of a spy named Michel Bravis, convicted war hero Mad Ben Styke, and Lady Viora Flint, a mercenary general with a past as turbulent as Landfall's present. The past haunts us all... As loyalties are tested, revealed, and destroyed, a grim specter as old as time has been unearthed in this wild land, and the people of Landfall will soon discover that rebellion is the least of their worries. For more from Brian McClellan, check out: The Powder Mage Trilogy Promise of Blood The Crimson Campaign The Autumn Republic

Magix's amazingly powerful video editor just seems to get better with each generation. Steve Grisetti, founding member of videomaker support site Muvipix.com, shows you all the tools in the latest version of this richly-featured program and how to use them, step-by-step.You'll learn:* How to get video from your tape-based, hard drive or flash-based camcorder into your video project.* How to build a timeline, and how to trim, split, arrange and composite the clips you add to it.* How to use the cool, new Mullicam Editor to create a professional cut of an event from several video sources.* How to create amazing effects and animations.* How to use the new Crop and Picture-in-Picture effects.* How to use the Chroma Keyer effect to make a person look like he or she is in any real or imaginary location.* How to upload your videos directly to Vimeo, YouTube and Facebook.* How to prepare your videos for output as a DVD and BluRay disc.

Whether you're an Elements newbie or an experienced veteran, this book will teach you all you need to know--from adjustments to bring out the best in your photos, editing in five easy steps, and organizing media by places and events, to working with raw files--and much more! This fully updated edition includes: concise, step-by-step instructions; hundreds of carefully edited full color photographs; screen captures of program features; supplemental tips and sidebars; and a thorough table of contents and index. Readers can download many of the key images featured in the guide and practice along with the author.

Did the Resurrection actually take place? This is the central question that Price (editor, Journal of Higher Criticism) and Lowder (cofounder, Internet Infidels) pose in their essay collection. Written in response to recent works by Wolhart Pannenberg, William Lane Craig, Murray J. Harris, and others who offered a defense of the Resurrection on historical and logical grounds, the essays probe the following: What is the most reasonable way to understand the appearance stories? Why would a God resurrect Jesus? Is the Resurrection theologically necessary? Is there enough historical evidence to make the Resurrection plausible or convincing? Did the 'Empty Tomb' really take place? To such questions, the answer is in the negative or is rendered in a nontheistic manner. Interestingly, contributors include not only philosophers, historians, and major nontheists but also New Testament scholars who view the Resurrection as a later church development. Well argued and well written, the essays are certain to stimulate further insight and reflection for both theists and nontheists.... Recommended for academic libraries.--John Jaeger, Dallas Baptist University, Texas, in Library JournalIt is not new for a few lonely, persecuted radicals to deny the resurrection of Jesus. What is new in this book is that such a number of competent, scrupulous scholars are agreeing that it did not happen, and going so far as attacking fundamentalists for propagating false and misleading views of the Bible.--Dr. Barbara Thiering, author of the bestseller Jesus and the Riddle of the Dead Sea ScrollsOne can only hope this valuable collection will result in a renewed commitment to intelligent discourse concerning Christianity's greatest miracle.--Gerd Lüdemann, University of Göttingen, author of The Resurrection of Christ: A Historical InquiryDid Jesus rise from the dead? Although 19th- and early 20th-century biblical scholarship dismissed the resurrection narratives as late, legendary accounts, Christian apologists in the late 20th century revived historical apologetics for the resurrection of Jesus with increasingly sophisticated arguments. A few critics have directly addressed some of the new arguments, but their response has been largely muted. The Empty Tomb scrutinizes the claims of leading Christian apologists and critiques their view of the resurrection as the best historical explanation. The contributors include New Testament scholars, philosophers, historians, and leading nontheists. They focus on the key questions relevant to assessing the historicity of the resurrection: What did the authors of the New Testament mean when they said Jesus rose from the dead? What historical evidence is needed to establish the resurrection? If there is a God, why would He resurrect Jesus? Was there an empty tomb? What should we make of the appearance stories? Apart from historical evidence, is belief in the resurrection justified?The Empty Tomb provides a sober, objective response to arguments offered in defense of Christianity's central claim.Robert M. Price, Ph.D. (Selma, NC), professor of scriptural studies at the Johnnie Coleman Theological Seminary, is the editor (with Jeffery Jay Lowder) of The Empty Tomb: Jesus Beyond the Grave and the Journal of Higher Criticism. He is also the author of Top Secret: The Truth Behind Today's Pop Mysticisms; The Paperback Apocalypse: How the Christian Church Was Left Behind; The Reason-Driven Life: What Am I Here on Earth For?; The Incredible Shrinking Son of Man; and Deconstructing Jesus; among other works.Jeffery Jay Lowder is the cofounder and past president of Internet Infidels, Inc., an international coalition of nontheists dedicated to promoting and defending a naturalistic worldview on the Internet.

Better photos are a breeze with the latest version of Photoshop Elements and Dummies Amateur photographers and photo enthusiasts turn to Photoshop Elements for a powerful but simpler way to edit and retouch their snapshots.
